

STF MOUNTAIN SHOPS

SHOP OFF THE BEATEN TRACK

1

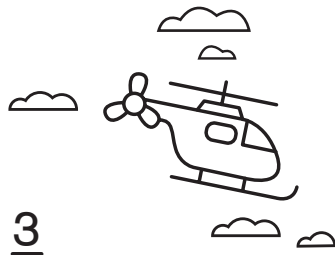

ORDERING
OF ASSORTMENT

Goods are ordered to the mountain shops with the aim of offering our guests requirements for eco products wherever possible.

2

TRANSPORT
TO THE BEATEN TRACK

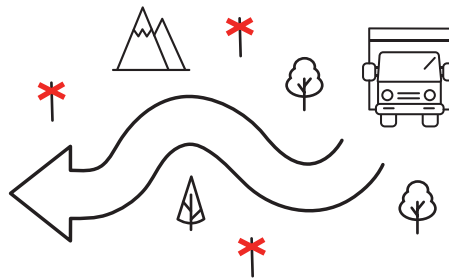

Orders are confirmed at the supplier, packaged and transported to STF's receiving sites for the next re-packing.

3

REPACKAGING
& DELIVERY

STF's staff tick off the deliveries and packages for further transportation by helicopter, scooter or tracked snow vehicle depending on the season.

4

CABIN HOST
HOSPITALITY ON LOCATION

Delivery arrives at the STF mountain cabin off the beaten track, packed and received by STF hostess who ticks off the goods and fills the shop shelves.

5

COOKING
THE MEAL OFF THE BEATEN TRACK

The store is now filled with goods, and our mountain guests buy their food on site to enjoy their own cooked meal off the beaten track.

6

WASTE SEPARATION
MANAGEMENT OF RESIDUAL WASTE

At STF mountain cabins and mountain stations there is clear information about how to sort your waste as a guest. Follow the instructions or ask STF hostess for advice if you are unsure.

7

CARRY AWAY
THE WASTE

From the mountain cabins, all residual waste is then transported to the end of the road for further transportation.

8

RETRIEVE
FOR RECYCLING

All residual waste is collected at the end of the road and transported to the nearest recycling center.
