

GUIDED DAYTOUR – STORA SJÖFALLET

Together we do a hike through history in the Laponian mountain area, to Stora Sjöfallet, a mighty waterfall that was once called the Niagara of the North. We travel by boat to get there, on lake Langas - one of the most beautiful lakes in Swedish Lapland. Experience old pineforest and learn more about our nature. We wrap up the tour by cooking lunch and making coffee over open fire.
