

Abisko – Try Nordic backcountry skiing

Try out skiing on sparkling cold mid-winter snow or spring's very first snow crust, whilst we help you discover Abisko National Park.

We familiarize ourselves with ski gear and learn basic techniques before we start skiing. Newly learned skills are soon put to the test as we skate-ski up steep slopes, glide across frozen lakes and keep our balance skiing downhill. The guide shows you some favorite spots and talks about the surroundings, Sámi culture and wildlife as we ski back to the tourist station.
